

The Office of Student Learning Services is a learning resource for students, parents, faculty & staff at the University of Dayton. We offer a wide variety of services to assist all students in achieving academic success at the university.

Academic Coaching Professional staff meet individually with students to:

- Discuss the student's academic goals
- Help motivate the student toward success
- Provide information about a variety of study skills

ARCC|Academic Renewal Course & Coaching Program

- A one-credit, six-week course for any student who wants to learn more about how to be successful at UD or who may be struggling academically
- Focus on self-assessment and academic success planning
- Individual coaching sessions with the instructor through the end of the semester
- Limited seats available each semester by permission of SLS staff

Drop-In Tutoring

- Free tutoring available to all students for many general education courses
- Tutoring conducted by undergraduates who receive on-going training & supervision
- Evening hours

Faculty and Staff Consultation

- Presentations and workshops covering topics related to learning and teaching for faculty and staff
- Assistance with implementation of learning, teaching, and student support strategies
- Consultation about academic needs of students with and without disabilities

Online Resources

- Links to materials for use in class or individually by students: study tips & self-assessments
- GPA calculator
- Time management downloads including planners and schedules

Services for Students with Disabilities

- Individual consultation with students about their disabilities and how best to coordinate accommodations
- Academic and testing accommodations for qualified students with disabilities
- On-going disability management advising
- Assistive technology evaluation & training
- Alternative format production

SI|Supplemental Instruction

- Group meetings with a student leader in addition to class.
- Assist students in mastering course material through discussion & hands-on activities

Student Consultation

- Regarding any academic issues in single or multiple sessions
- Referrals to campus and community resources
- Disability screenings

Workshops by Request

- Topics related to learning, teaching, & support for student learning
- Stand-alone or series workshops

Write Place Part of the Learning Teaching Center's Office of Writing, Research & New Media

- Free peer-to-peer writing support for students
- Free Digital Drop-Off service for feedback at any stage of the writing process
- Afternoon & evening hours

For more details about any of the above services, please call 937-229-2066 fax 937-229-3270 or visit us on the Web at:
